

# ***Week 1 (6/1 - 6/5) Me & My Community***

*Who are community helpers? They are the essential people who work every day to help keep our community safe, healthy, and happy—like firefighters, doctors, teachers, police officers, farmers, and mail carriers! Through fun activities, games, and stories, children will explore kindness, teamwork, and how they can be helpers too.*

*In-House Visits:  
Fire Department  
Librarian*

## *Week 2 (6/8 - 6/12) Nature Explorer*

*Nature engages children through hands-on outdoor adventures such as scavenger hunts, nature walks, leaf rubbings, and nature collages. Children will explore the outdoors through bug hunts, birdwatching, and creating beautiful art with natural materials such as rocks, leaves, twigs, and flowers.*

# ***Week 3 (6/15 - 6/19) Curious Scientists***

***Science promotes enquiry, critical thinking, and STEM skills through hands-on activities.***

***Sink & Float***

***Color Changing Flowers***

***Volcano***

***Magnetic/Non-Magnetic***

***Magic Milk/Color Changing Milk***

***Exploring Water Colors***

***Rain Clouds in a Jar***

## ***Week 5 (6/29 - 7/2) Down on the Farm***

*Children will explore life on the farm while learning about farm animals, how farmers care for them, and the important products we get from farms each day. Children will enjoy interactive activities, sensory play, creative crafts, and exciting outdoor adventures as they discover the wonders of farm life in a fun and engaging way!*

- *Pretend cow milking*
- *Learning about products we get from farms (milk, eggs, wool, etc.)*
- *Washing and caring for farm animals*
- *Farm-themed arts & crafts*
- *Sensory bins and hands-on farm activities*
- *Storytime and sing-alongs about farm life*
- *Learning about different animal sounds*

## ***Week 6 (7/6 - 7/10) Stories Come to Life***

*Step into a world of imagination, creativity, and adventure as beloved stories come to life! During this magical summer camp week, children will explore classic and favorite children's books through interactive storytelling, dramatic play, hands-on activities, and creative arts & crafts. Children will bring characters and stories to life while building language skills, confidence, friendships, and a love for reading in a fun and engaging environment.*

- *Interactive storytime adventures*
- *Scenarios*
- *Role play*
- *Puppet shows and creative storytelling*
- *Story-inspired arts & crafts*
- *Memory games*

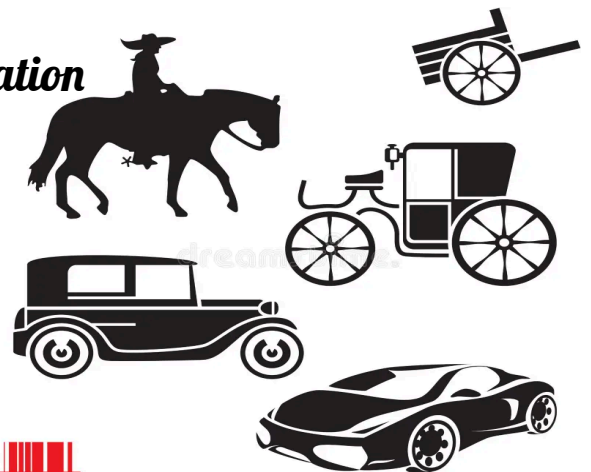

# *Week 8 (7/20 - 7/24) Transportation Through Time*

*From horse-drawn carriages to rockets in space. Children will travel through history to discover how transportation has evolved! It engages children through hands-on learning about vehicles, maps, and safety, covering land, air, and sea.*

- *Designing and flying paper airplanes*
- *Creating balloon-powered cars*
- *Exploring land, air, and water transportation*
- *Transportation-themed arts & crafts*

TRANSPORT  
EVOLUTION
